Email: dkosinski@rmcd.com.au

Final Offers close 5th November 2013 at 4:00pm Australian Eastern Standard Time (AEST) or Australian Daylight Savings time (ADST) and will be accepted at any time up until this date and time and are to be made via the attached Private Sale Response Form.

All successful formal bids will be notified in writing by close of business on 11th November 2013 at 4:00pm AEST (or ADST).

- The Plant & Equipment identified in this catalogue is being offered for Private Sale via Tender Process
- Offers for individual or multiple lots will be accepted
- Offers are to be made GST Exclusive
- A ten percent (10%) exclusive buyer's premium applies to each piece of equipment purchased.
- A twenty percent (20%) **Non-Refundable** deposit is required with forty eight (48) hours of written acceptance of offer
- Balance of funds will be required within Fourteen (14) days of acceptance of offer
- Viewing of the equipment is by appointment only and will be arranged with Mr. Steve Mileto
- Pick up and removal of equipment is at the buyers expense and is to be organized by the buyer using qualified and insured service providers of their choice or in conjunction with Ramsay Engineering Services
- All machinery inspections and removals will be subject to OHS legislature as effective in the state of New South Wales and as subject to the company policy of STANDARDKNIT FABRICS
- Domestic buyers are to have the purchased equipment moved. Movement date will vary based on items purchased and will be advised by Ramsay McDonald
- International buyers are to have the purchased equipment moved. Movement date will vary based on items purchased and will be advised by Ramsay McDonald
- Removal of the equipment will be conducted on an approved date to be arranged in conjunction with Ramsay McDonald and STANDARDKNIT FABRICS

Ramsay Engineering Services

Technical dismantle, pack and FOB relocation engineering services are also available to prospective buyers via Ramsay Engineering Services (RES) a wholly owned subsidiary of the Ramsay McDonald Group.

Specialty engineering staff, mechanics and riggers are provided to disconnect, dismantle, and pack into container/s for national or international transport via the buyers' nominated mode for road, sea or air transit.

RES provides full public liability/professional indemnity up to a maximum of ten million Australian dollars and certification of compliance with the Australian work place authorities including Occupational Health & Safety (OHS) and Industrial Relations (IR) as is required on the StandardKnit Fabrics site.

Quotations will be provided upon request from the buyer for RES to dismantle, pack and ship any equipment purchased. Where possible a firm/fixed price will be provided for equipment successfully purchased.

RES can also assist in sourcing technicians directly from the designated machinery suppliers for re-commissioning of the purchased plant and equipment.

Other Engineering Services

The buyer also has the right to appoint or utilize their own or preferred engineering services provided they comply with all Occupational Health and Safety and Health Safety and Environment and Industrial Relations legislature as is applicable in the State of New South Wales and under Australian Federal Law.

Terms and Conditions of Sale

1. I/We understand that I/We will be required to have equipment paid for in full by the end of business trading Monday 25th November 2013.
2. I/We understand a twenty percent (20%) **non-refundable deposit** is payable within forty eight (48) hours of acceptance of our offer.
3. I/We understand the equipment must be moved from the site of purchase by:
 - National buyers – 15th February 2014 or as negotiated with Ramsay McDonald Group and StandardKnit Fabrics.
 - International buyers – 15th February 2014 or as negotiated with Ramsay McDonald Group and StandardKnit Fabrics.
4. The items are being offered for sale on a GST exclusive basis. A buyer's premium of ten percent (10%) applies to successful offers and will be added to the successful GST exclusive offer price.
5. I/We acknowledge that should I/We fail to comply with the Terms of sale any money paid, partly paid or deposited shall be forfeited. Any item not removed within the time prescribed may at the option of Ramsay McDonald Group or the Vendor's option be either stored at the defaulting purchasers risk and expense or resold. In which case, the defaulting purchaser shall make any deficiency whatsoever good without prejudice to any rights or remedies of the Vendor or of Ramsay McDonald Group.
6. I/We further understand that all items of plant and equipment are offered on an "as is where is" basis. Buyers are warned to inspect all lots before submitting any offer. No warranty whatsoever is given with any item of equipment and the Vendor and Ramsay McDonald Group shall not be responsible for incorrect description or for the correctness of any statement concerning any item in the catalogue or otherwise, for any fault, defect or damage to any item. Each of the items offered for sale will be taken with all faults and will be at the buyers risk on the submission of an offer to purchase. The purchaser on lodging an offer expressly agrees that they have inspected the items bid for and in making this offer relied entirely on its own judgment and not on any statements or representations of or made by Ramsay McDonald Group or the Vendor.
7. The Occupational Health and Safety Act 2011 (and as amended) and Regulations impose obligations in respect of safety for workers arising out of the DESIGN, MANUFACTURE AND SUPPLY of plant for use in a workplace.
8. Ramsay McDonald Group and the Vendor warn all buyers THAT ALL PLANT OR EQUIPMENT OFFERED FOR SALE by Tender MAY NOT BE FIT FOR USE IN A WORKPLACE and it is the BUYER'S RESPONSIBILITY to ensure that it is brought to a standard necessary to comply with the Occupational Health and Safety Act 2011 (and as amended) and is safe and fit for use in a workplace. Breaches of the Occupational Health and Safety Act 2011 (and as amended) carry onerous penalties for people who PURCHASE and OPERATE UNSAFE EQUIPMENT without conducting a thorough safety inspection.
9. Subject to conditions and warranties prescribed by statute which cannot be excluded Ramsay McDonald Group and the Vendor shall not be liable for any loss, damage or injury of any kind whatsoever, whether arising from the performance, description, mis-description or identification of any Goods, the entry of persons onto premises or otherwise (including without limitation, loss, damage or injury caused by the default or negligence of or mis-description by Ramsay McDonald Group or the Vendor and any incidental or consequential loss, damage or injury) to any person or property.
10. Title to an item shall remain with the Vendor until the full purchase price and all other sums payable in respect of the item(s) are paid in full.

11. An item shall be held at all times after purchase at the purchasers risk and expense in respect of loss or damage from any cause whatsoever including Ramsay McDonald Group or the Vendor's or any other persons' negligence and taxes and charges of any kind.
12. The purchaser shall remove purchased items with reasonable professional skill, care and attention and shall bear the cost of making good any damage or injury caused as a result of removing any purchased item.
13. A provision of or a right created under these terms and conditions may not be waived except in writing signed by the party granting the waiver.
14. I/We totally indemnify Ramsay McDonald Group and STANDARDKNIT FABRICS, Directors, Officers and Employees from any actions arising from the purchase of any item whether consequential or otherwise.
15. I/We understand the highest offer may not be accepted.

F	184	1996	BIANCO	Slitter Machine – Pad Mangle Slitter No. 1 - Width: 2200mm - Bianco entry squeezing unit - Bianco de-twisting unit	
F	185	1998	BIANCO	Slitter Machine – Pad Mangle Slitter No. 2 - Width: 2220mm - Bianco entry squeezing unit - Bianco de-twisting unit	
F	186	1991	BIANCO	Slitter Machine – Pad Mangle Slitter No. 3 - Width: 4000mm - Bianco entry squeezing unit - Bianco de-twisting unit	
F	187	1997	SANTEX	Continuous Tumble Dryer – No. 5 2200mm Bianco pad mangle 3 bay double decker - Gas fired burners	

DIV.	LOT	Y.O.M.	MAKE / MODEL	ITEM – DESCRIPTION / TECHNICAL SPECIFICATIONS		IMAGE
F	188	1991	SANTEX	Continuous Tumble Dryer – No. 7 3000mm Kusters pad Mangle 6 bay - Gas fired burners - Chain entry - Bianco Fabric centering device		
F	189	Various	SANTEX	Spare parts for Santex Dryers - Teflon belts - Modulated valves	 	
F	190	1994	MONFORD MONTEX	6 Bay Gas Fired Stenter – No. 4 - Width: 3400mm - Bianco centering device - Kuster pad mangle - Bianco weft straightener - Overhead bridge controls - Centre and edge cutters / slitters - Horizontal pin chain		
F	191		VARIOUS	Spare parts for Monford Stenter 6 x cans Kluber special high temperature grease for the fabric transport chain - Fabric transport chain pins - Digital counters for width control - New entrance arm hinge (still in original packaging) - Gas burner main modulating valve - Hot air circulating fan motors		

DIV.	LOT	Y.O.M.	MAKE / MODEL	ITEM – DESCRIPTION / TECHNICAL SPECIFICATIONS	IMAGE
F	192		VARIOUS	Spare parts for Monford Stenter	 
F	193	1988	BRUCKNER	Stenter – No. 6 - Width: 2400mm 5 bay gas fired - Horizontal pin chain - Kusters pad mangle - Bianco weft straightener - Overhead bridge controls - Edge cutters	
F	194	1987	BRUCKNER	Stenter – No. 3 - Width: 2400mm 6 bay gas fired - Mahlo weft straightener - Kusters pad mangle - Overhead bridge controls - Horizontal pin chain - Edge cutters	
F	195	1987-1988	VARIOUS	Spare parts for Bruckner Stenter machines - Over feed wheels gear boxes 1 x 20ltr drum Kluber Lavora Varyspeed special gearbox oil - Overfeed top and bottom rollers with Selson Motors (Electrical Shaft) matching pairs 1 x new complete latest version of Erhard & Leimer in feed guiding system consisting of - Controller DC5501 2 x Actuators KR 5230 (left and right) 2 x Edge sensors FR 5502 (left and right) in original packaging - In feed Guiding System – left and right actuators - Edge trimming circular blades & suction motors - Variable speed Shrager motors for the main chain drive - Circulating hot air fan motors - One width adjustment left and right threaded shaft
