

SANTONI

圣东尼在纺织机械技术领域拥有100年的悠久历史，是无缝针织和圆形针织行业的创新领导者。圣东尼上海以研发为核心，将其先进的技术和经验扩展到各种机械，软件开发和服务模式。真正采纳C2M理念。

With 100 years heritage in textile machine technology, Santoni is an innovative leader in the seamless and circular knitting industry. With R&D at its heart, Santoni Shanghai has expanded its advanced technology and experience to a wide range of machinery, software developments and service models. Truly embracing the C2M philosophy.

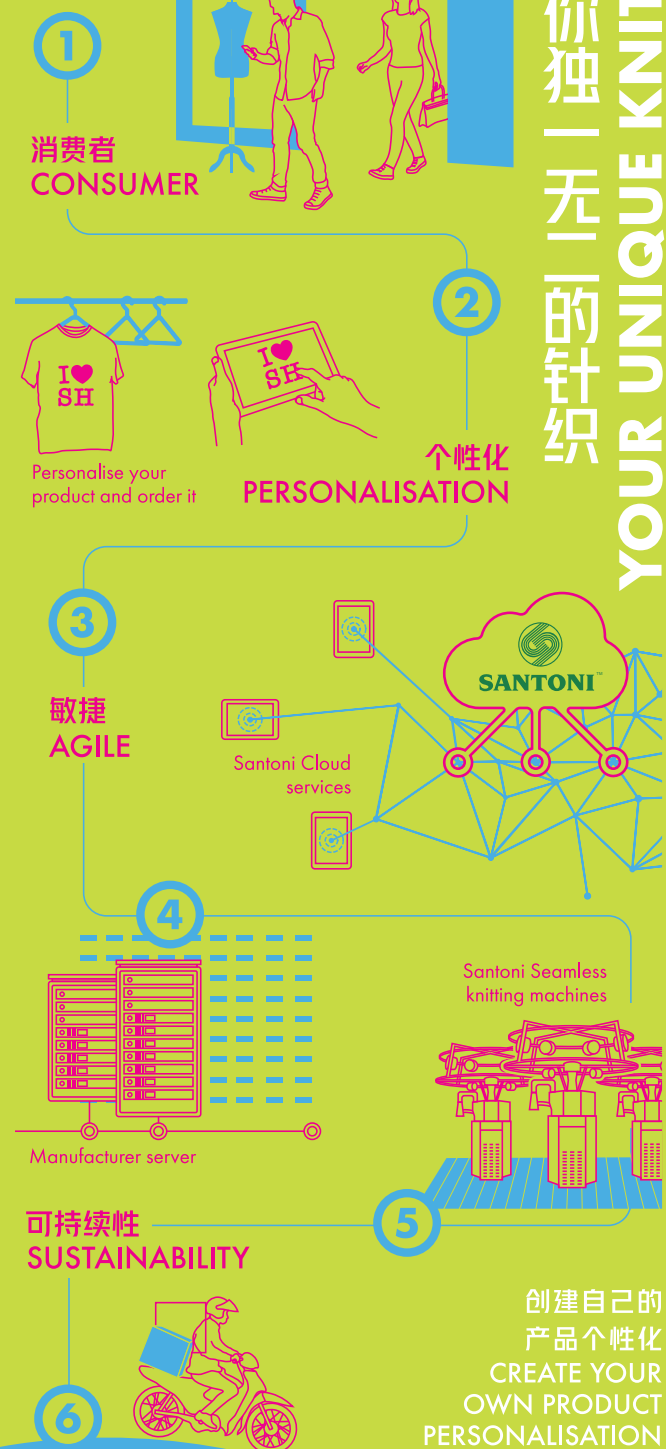

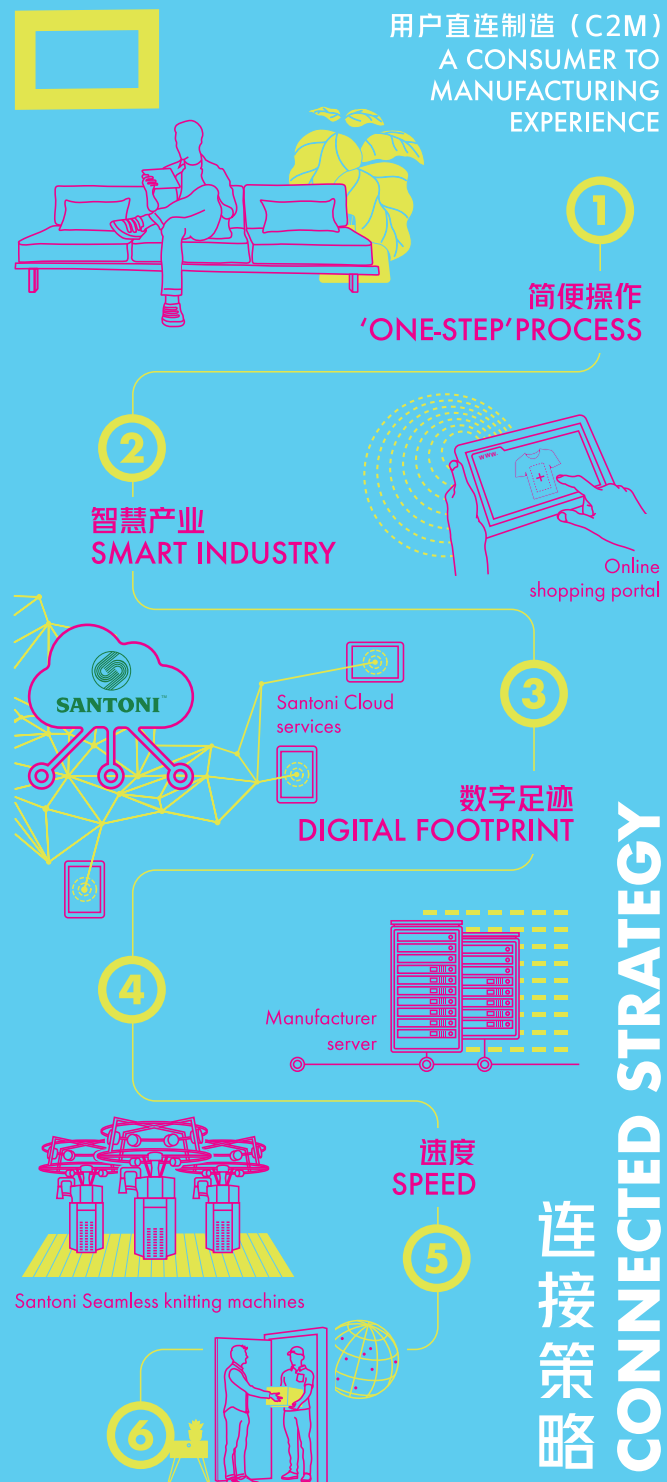

Cimpress(纳斯达克:CMPR)由Robert Keane先生于1994年在法国巴黎创立，Cimpress以C2M大规模定制平台为核心技术，使企业，个人以及小微企业能够为其终端客户提供定制化的产品和服务。

Cimpress (NASDAQ: CMPR) was founded in 1994 by Mr. Robert Keane in Paris, France. With C2M mass customisation platform as its core technology competitiveness, Cimpress empowers enterprises, individuals as well as small and micro enterprises to offer customised products and services to their end customers.

作为Cimpress集团的全资子公司，YSD通过大规模定制的先进技术和值得信赖的全球供应链帮助设计师/小品牌/KOL等轻松地在网上建立自己的品牌，让其无需管理供应链和库存风险。

YSD can help designers/small brands/KOLs etc. build their own brands online easily without managing the supply chain and inventory risks.
